Dear Sir/Madam

**TOWN AND COUNTRY PLANNING ACT 1990  
PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990  
TOWN AND COUNTRY PLANNING (MAJOR INFRASTRUCTURE PROJECT  
INQUIRIES PROCEDURE) (ENGLAND) RULES 2005  
PROPOSED SECOND RUNWAY AT STANSTED AIRPORT**

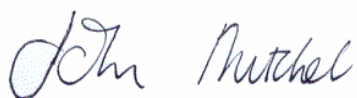

Thank you for your comments.

The 38 applications for planning permission and listed building consent comprising the second runway proposals have now been called-in for determination by the Secretary of State. The Secretary of State has decided to call for an inquiry, comprising concurrent inquiries into each application due to start on 15<sup>th</sup> April 2009.

I am required at this stage under the 2005 Rules to send you as an interested party a copy of the Secretary of State's Statement of Matters in respect of the called-in applications. These are the matters which the Secretary of State particularly wishes to be informed about for the purposes of her consideration of the applications. A copy of the Statement of Matters is attached.

Whilst this Council is no longer the determining authority for these applications, any representations that it has received or continues to receive up to the consultation deadline of 26<sup>th</sup> September will be forwarded to the Inquiry Inspector for consideration.

Yours faithfully

John Mitchell  
Chief Executive
